

In Kindergarten, this week we hope to

Explore Our Wonderful World: Pirates

Personal, Social and Emotional Development
Encourage children to initiate play, offering cues to peers to join them.

Communication and Language

Children will be encouraged to use talk to recall our Pirate Treasure Hunt.

Physical Development

Children to develop their gross motor skills by walking the plank!

Literacy

Children to identify their name and other familiar words.

Mathematics

Encourage children to sink their boats with treasure exploring numbers and quantities.

Understanding of the World

Children will show interest in the the world they live in, learning about pirates and going on a treasure hunt.

Expressive arts and design

Children will create pirates, flags and parrots.
