

In Kindergarten, during week 14 and 15 we hope to Explore Our Wonderful World: The Celebration of Christmas

Personal, Social and Emotional Development
Encourage children to be confident enough to talk about their own preferences, interests and needs.

Communication and Language

Children will be encouraged to focus and maintain attention during activities.

Physical Development

Children to use gross motor skills to draw large circles and lines and to experiment with using anti-clockwise movements.

Literacy

Children will give meaning to marks as they write and practise forming clearly identifiable letters.

Mathematics

Encourage children to notice shapes in patterns and to attempt to complete a Christmas repeating pattern.

Understanding of the World

Children will show interest in different ways of life and celebrations.

Expressive arts and design

Children will explore textures to create Christmas crafts.
