

In Kindergarten, this week we hope to

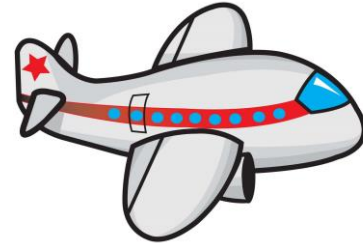

Personal, Social and Emotional Development

Encourage the children to extend play by listening to and responding to their friends

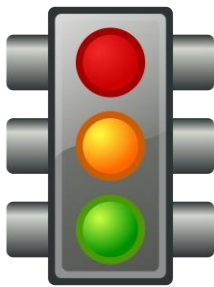

Communication and Language

Encourage children to use a range of tenses when discussing a plane journey

Physical Development

Play "Traffic Lights" and encourage the children to follow instructions whilst showing an awareness for space

Literacy

After reading "The Blue Balloon" by Mick Inkpen encourage the children to discuss how a story could end

Mathematics

Encourage children to use mathematical language and enjoys number problems whilst playing "All Aboard"

Understanding of the World

Plant a Petunia in a recycled milk bottle

Expressive arts and design

Children to use different media and materials to create a model of air transport
