

In Kindergarten, this week we will be learning about 'Ourselves...'

Personal, Social and Emotional Development
The children will be playing games in small groups to develop their patience and turn taking ability.

Communication and Language

The children will be asked questions about stories they are familiar with.

Physical Development

The children will be engaging in activities such as sensory rice to explore the textures, and to develop their fine motor skills.

Literacy

The children will be playing phonic games to develop their listening skills.

Mathematics

The children will be exploring numericon using the large numericon in the garden.

Understanding of the World

The children will be talking about what they are going to do over the half-term with their family.

Expressive arts and design

The children will be using a variety of textured materials to create pictures.
