

In Kindergarten, this week we hope to

Personal, Social and Emotional Development

Children will work in teams in the role play area, practising collaboration and turn taking.

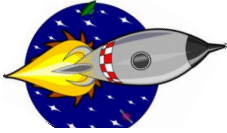

Communication and Language

Talk about what they already know about 'Space' and develop their how and why questioning skills

Physical Development

Children will gross motor skills through space moon walking activities.

Literacy

Children will complete a space ship log and explain their journey.

Mathematics

Children will build a space station or spaceship using construction blocks.

Understanding of the World

Children will talk about their own families to compare differences and similarities with the families of their friends.

Expressive arts and design

Children will learn and perform a new song.
