

In Kindergarten, during week 10 and 11 we hope to

Explore Our Wonderful World: Autumn and Into the Woods

Personal, Social and Emotional Development
Encourage children to initiate, extend and elaborate their play.

Communication and Language

Children will be encouraged to listen to and identify sounds.

Physical Development

Children to experiment with moving in different ways.

Literacy

Children will practise identifying the initial sounds in words and also identifying all the letters in their own name.

Mathematics

Encourage children match numbers to quantity correctly, and to compare sets of objects.

Understanding of the World

Children will show interest in operating remote control toys.

Expressive arts and design

Children will create storm lamps and clay poppies.
