

In Kindergarten, this week we hope to

Explore 'Once Upon a Time' – The elves and the Shoemaker

Personal, Social and Emotional Development
Encourage children to communicate freely about own home and community.

Communication and Language

Children will be encouraged to concentrate and attempt to identify whose voice is calling 'Its only me little elf'.

Physical Development

Children to develop their fine motor skills by threading and lacing shoes.

Literacy

Children will be encouraged to sequence a story using picture clues from the book The elves and the Shoemaker.

Mathematics

Encourage children to investigate the different sizes of shoes and to experiment how to measure them using multilinks.

Understanding of the World

Children to share their knowledge of different types of shoes and who might wear them.

Expressive arts and design

Children will design or create shoes using various equipment and materials.
