

In Kindergarten Spring weeks 3 and 4 we hope to

Explore 'Once Upon a Time' – The Gingerbread Man

Personal, Social and Emotional Development

Children will be encouraged to confidently communicate their needs and ideas.

Communication and Language

Children will be encouraged to use puppets to retell familiar stories.

Physical Development

Children will be practising throwing and catching different sized balls to develop their gross motor skills.

Literacy

Children will be encouraged to make up their own stories and make their own storybooks.

Mathematics

Children will be engaging in activities to help them recognise numerals, count objects and order objects according to their height.

Understanding of the World

Children will be using the computer and mouse to paint a picture.

Expressive arts and design

Children will using various media to create pictures of story characters.
