

In Kindergarten, this week we will be learning about 'Our Wonderful World' (Europe)

Personal, Social and Emotional Development

The children will be developing their social skills in our 'French cafe' role play area.

Communication and Language

The children will be engaging in circle time activities to encourage them to listen to others.

Physical Development

The children will be using pegs and tweezers to strengthen their fine motor skills.

Literacy

The children will be playing rhyme and alliteration games.

Mathematics

The children will be playing dice games.

Understanding the World

The children will be learning to count to ten in French.

Expressive arts and design

The children will be creating London buses and painting pictures.
