

# In Kindergarten, this week we hope to .....

## Explore Space

### Personal, Social and Emotional Development

Encourage children to ask questions of their friends during role play activities.

### Communication and Language

Children will be encouraged to use why and how questions during activities.

### Physical Development

Children to develop an awareness of healthy eating.

### Literacy

Children to identify the initial sounds in words and make up a name for an alien.

### Mathematics

Encourage children to recognise numerals and apply number correctly.

### Understanding of the World

Children will be investigating the solar system.

### Expressive arts and design

Children will create space related junk models.
