

Welcome to Year 2.

We hope you have had a great summer holiday.

Preparations have been underway over the holiday period and the Year 2 team are ready for the exciting year ahead with your children.

There are lots of things happening including our trip to Lego Land next week. You should all have received an email with the trip details and payment methods. A hard copy of this letter will be going home with your child today.

Just a few reminders for you following on from our Meet the Teacher evening.

Games Kit

Can we remind you that the children will need to bring in their Games kit on a Monday which will be taken home on a Thursday afternoon. As the children will be doing Design and Technology this term they will **not** need their swimming bag on a Friday.

Snacks and Water Bottles

Please ensure that your child has a named water bottle with them every day so that they can keep hydrated throughout the day. Snacks in the morning should include fresh or dried fruit or vegetables and the afternoon snack can include breadsticks, rice cakes, fruit or vegetables or a simply filled sandwich. Please no chocolate or nut products.

Reading Books

Your child should be bringing home their new reading book on Thursday/Friday of this week. We would be grateful if you could listen to your child read every day, and jot down any notes you may have in their reading record. This acts as a record of their reading and a communication book. Spelling homework will be coming home on Tuesday next week.

If you have any other questions, do please ask!

Many thanks,

The Year 2 Team
