

In Kindergarten, this week we hope to

Explore Our Wonderful World: Celebrations

Personal, Social and Emotional Development
Encourage children to initiate, extend and elaborate their play.

Communication and Language
Children will be encouraged to listen and respond to ideas expressed by their friends.

Physical Development
Children to develop their fine motor skills to develop a tripod grip.

Literacy
Children to listen to and joins in with stories and poems.

Mathematics
Encourage children to use shapes to make Rangoli patterns.

Understanding of the World
Children will show interest in the the world they live in, learning about growth decay and changes over time.

Expressive arts and design
Children will create diva lamps.
