

In Kindergarten, this week we hope to

Explore Our Wonderful World: Dinosaurs

Personal, Social and Emotional Development
Encourage children to play in a group extending and elaborating play ideas.

Communication and Language

Children will be encouraged to ask why and how questions to extend their understanding.

Physical Development

Children to practise moving in a variety of ways.

Literacy

Children to join in with rhyming activities and continue a rhyming string.

Mathematics

Children to develop their interest in shape and space by playing the shapes and identifying shapes in their environment.

Understanding of the World

Children will be encouraged to talk about some of the things they have observed whilst out searching for dinosaur bones.

Expressive arts and design

Children will explore media and materials in order to create working volcanoes!
